**Subject:** Re: TDD #32, WA 3-07, EP-C-06-085 - SCDM Values for Tetrahydrothiophene 1,1-dioxide (Sulfolane)

Great. I'll let you know if something comes up that would lengthen the process. Thanks!

Hi David

We are just starting the PA process on this site. If the values are delivered in a couple weeks. That should be plenty of time before the PA report is completed.

Thanks.

Hi Brandon,  
The values can usually be delivered in a couple weeks. Is there a day you needed them by? Thanks.
